1) Introduction by the Headteacher

Dear Parent/Carer

I am delighted to welcome you to Rutherglen High School. This handbook provides you with key information in relation to all aspects of the school including school procedures and personnel. I hope it also gives you a flavour of our culture and ethos.

We aim to provide a range of learning experiences, which meet the needs of all our learners. Working together in partnership: school staff, parents, and our partner agencies can help us achieve this goal.

Communication is essential and we would welcome you to contact Rutherglen High with regards to any aspect of your son/daughter’s education.

I look forward to working with you over the coming years to ensure that you and your son/daughter enjoy a happy and successful time at Rutherglen High School.

Jan Allan
Headteacher

Aims of the School

• To provide all learners with a motivating and challenging curriculum which, ensures learners gain the necessary skills, qualifications, aptitudes and confidence for living in the 21st century.
• To actively involve out learners in their own learning and to ensure they are motivated and eager participants in their learning.
• To ensure staff are meaningfully involved in improving the quality of education for learners.
• To work collaboratively with Community organisations and partner agencies to support learners and families.
• To provide a curriculum which, promotes challenge, enjoyment, breadth and depth, progression, relevance, coherence, personalisation and choice in learning for all the pupils.
• To write clearly stated guidelines which, reflect local and national priorities and are regularly updated to ensure they are directed towards putting our pupils at the centre.
• To ensure all staff are sufficiently skilled and qualified in providing an appropriate curriculum and learning experience for all learners.
• To have effective partnership working to sufficient resources in order to improve the quality of provision for our learners.
• To work with learners, staff, parents and other partners to create shared vision, values and aims to help shape the future direction of the school.

South Lanarkshire Council is the fifth largest authority in Scotland. It covers the following main areas; Clydesdale in the south which features extensive rural areas, Cambuslang, Rutherglen, Blantyre and Uddingston to the north as well as the towns of East Kilbride and Hamilton.

The Council’s Plan Connect sets out the Council’s vision which is, “to improve the quality of life for all within South Lanarkshire”.

South Lanarkshire Council is the fifth largest authority in Scotland. It covers the following main areas; Clydesdale in the south which features extensive rural areas, Cambuslang, Rutherglen, Blantyre and Uddingston to the north as well as the towns of East Kilbride and Hamilton.

The Council’s Plan Connect sets out the Council’s vision which is, “to improve the quality of life for all within South Lanarkshire”.
For Education Resources this means delivering services of the highest quality as well as striving to narrow the gap. It is about continually improving the services for everyone at the same time as giving priority to children, young people, families and communities in most need. The priorities for schools and services are set out in the Education Resources Plan which confirms the commitment to provide better learning opportunities and outcomes for children and young people.

2) About our school

Rutherglen High School opened in August 1999 and is a non-denominational and co-educational school. The school is part of the Cathkin Learning Community and has formed strong links within the local community.

The school provides education for over 90 pupils and is currently located in Langlea Road in Cambuslang. All pupils attending Rutherglen High School have a range of Additional Support Needs and have an Additional Support Plan or Co-ordinated Support Plan to assist the school in planning a curriculum which supports pupils in achieving their potential. Support for pupils is provided in the form of smaller class sizes (maximum 10) with allocated support staff to provide continuity and security.

Pupils are supervised at morning interval and lunchtime and are provided with assistance with personal care if required.

Rutherglen High has strong links with Glasgow Clyde College (Langside and Cardonald Campus), New South Lanarkshire College, New College Lanarkshire (Motherwell Campus) and City of Glasgow College (Riverside and John Wheatley Campus). Through our extensive Work Experience programme good partnerships have been established with local employers.

Rutherglen High is a Rights Respecting School, a Health Promoting School and an Eco School. Fund raising for charity and the promotion of Fairtrade are an integral part of the school ethos. To date we have gained our Gold Award in Health Promoting School Awards and have maintained Eco School status since 2006. We are also a Rights Respecting School (Level 1) and have a Bronze Level of the Enhanced Visual School Award.

3) Parental Involvement

South Lanarkshire Council recognises the importance of parents as partners in the education of their child and has published a strategy entitled, 'Making a difference – working together to support children's learning'. This is available from the Council's website: [www.southlanarkshire.gov.uk](http://www.southlanarkshire.gov.uk)
Parents, carers and family members are by far the most important influences on children’s lives. Children between the ages of 5 and 16 children spend only 15% of their time in school! Research shows that when parents are involved in their child’s learning, children do better at school and throughout life. Parental involvement can take different forms but we hope you share the same aims and agree that by working together we can be partners in supporting children’s learning.

As parents/carers we want you to be:

- Welcomed and given an opportunity to be involved in the life of the school;
- Fully informed about your child’s learning;
- Encouraged to make an active contribution to your child’s learning;
- Able to support learning at home;
- Encouraged to express your views and involved in forums and discussions on education related issues.

To find out more on how to be a parent helper, or a member of the Parent Council and/or the Parent Teacher Association just contact the school or visit our website.

Some useful information contacts for parents to find out more on education are as follows:-

- Parentzone – [www.parentzonescotland.gov.uk](http://www.parentzonescotland.gov.uk)
- South Lanarkshire Council – [www.southlanarkshire.gov.uk](http://www.southlanarkshire.gov.uk)
4) School Ethos

Guidance is a whole school responsibility and all staff, teaching and non-teaching have an important role to play.

A House system is in operation. There are three Houses: Jedburgh, Kelso and Selkirk and all staff and pupils belong to one of the Houses. In general terms the House Leader and House staff follow the progress of each pupil in their House group from first year until the time he/she leaves school. We are concerned with each pupil’s personal, social and vocational welfare and are able to offer support and guidance throughout their school career. We also have close links with outside agencies: Social Work Department, Psychological Services, Allied Health Professionals and Skills Development Scotland. We are also keen to encourage close contacts between home and school and to involve parents in all aspects of their son/ daughter school career.

Initial Contact         S1 and S4          Mr J Longworth          Acting Principal Teacher
                      S2 and S3          Mr G Williams          Acting Principal Teacher
                      S5 and S5          Mrs K Watts          Principal Teacher

Psychological Services

The link Educational Psychologist are:

S1 –S3 & Supported Classes         Miss Jane Thomson          Senior Psychologist
S4-S6                               Miss Elizabeth King        Principal Psychologist

Rights Respecting School

Rutherglen High School pupils are encouraged to reflect on how their behaviour and actions affect those around them, which allows us to build and maintain a positive and safe learning environment for all, both in the classroom and around the school site. In the preparation for the RRSA, and in consultation with pupils and staff at all levels, our school rules and expectations were re-written to form charters, which outline expectations in the classroom. These are displayed throughout the school. Excellent links have been established with Classrooms for Malawi.
ECO Schools

As part of the Eco Schools Programme, pupils in Rutherglen High take part in a wide range of environmental projects and have been successful in maintaining our Eco status. A wide range of topics are covered such as Waste Management, schools grounds projects, John Muir Award and Interdisciplinary projects. As a school, we have made links with outside agencies that have provided invaluable support to us.

5) The Curriculum

Curriculum for Excellence is the name given to the new curriculum in Scotland for all children and young people aged 3-18. It is a forward looking, coherent, more flexible and enriched curriculum that provides young people with the knowledge, skills and attributes they will need if they are to flourish in life, learning and work, now and in the future.

The curriculum includes all of the experiences that are planned for children and young people to support the development of their skills, wherever they are being educated, for example in the family and community, pre-school centre, nursery and school. This broad, general education will allow them to become successful learners, confident individuals, responsible citizens and effective contributors to life in the 21st century.

In taking this forward our school will work closely with South Lanarkshire Education Resources and other services to enable Curriculum for Excellence to be fully embedded, ensuring the best possible education for all children and young people. We wish you to feel confident that your child is encouraged and supported to develop their literacy, numeracy and other skills whilst they attend our school. The curriculum areas are as follows:

- Expressive arts
- Languages and literacy
- Health and wellbeing
- Mathematics and numeracy
- Religious and moral education
- Science
- Social studies
- Technologies
If you want to know more about Curriculum for Excellence, please visit website www.curriculumforexcellence.gov.uk or www.parentzonescotland.gsi.gov.uk

Our learning and teaching activities are based on the outcomes and experiences in the guidelines that all schools have for Curriculum for Excellence.

Rutherglen High School provides a broad, balanced and appropriate curriculum for all pupils in line with National and South Lanarkshire guidelines. Due to the changing nature of the school population it may not be possible to offer prescribed courses on a yearly basis.

(i)  **Organisation and curriculum: courses in S1 –S3**
In S1-S3, pupils are generally in mixed ability teaching groups which provide an equal opportunity for all pupils to follow a Common Course in line with Curriculum for Excellence. In English and Maths there may be some broad band setting according to ability.
All pupils in S1 – S3 currently:

Options

Options are an integral aspect of curricular provision for all students from S4 onwards. Options allow pupils to pursue courses in which they have a personal aptitude / interest.

Prior to choosing options, pupils will have the opportunity to take part in an Induction programme. This will involve input from subject specialists, Skills Development Scotland and Colleges. As part of this process an option information booklet will be issued to all pupils / parents.

Options are chosen at the end of S3 and pupils follow their chosen courses for two years.

Options:  
Art  
Music  
Drama  
ICT  
Technical  
Science  
Social Subjects  
Duke of Edinburgh Award  
French  
Home Economics

Pupils choose 3 subjects from the list above. Pupils will study each subject for 2 periods per week.

For more information regarding the S4/5 /S6 curriculum please see the S4/S5/S6 Curriculum Handbook.
Severe and Profound Needs
Rutherglen High School’s provision for learners with Severe and Profound Needs follows the guidelines as set out in the South Lanarkshire document “Framework for Supporting Pupils with Severe and Profound Learning Needs”

Young people who would benefit from a highly support learning environment are identified at transition through consultation with Primary Headteachers, and Educational Psychologists and parents. Pupils in supported classes benefit from an adapted secondary school curriculum with emphasis on supporting communication, and promoting daily living skills. Provision is also made to incorporate the daily exercise programmes in response to physical and sensory needs of the individual pupils, under the direction of physiotherapists and occupational therapists, where appropriate.

While the core subjects (English, Maths, Health & Wellbeing and Independent Living Skills) are delivered in the same classroom, pupils also attend various practical classrooms around the school. Opportunity is also given in many areas of school life for all pupils to socialise and work together.

Work Experience

Work Experience is an important part of the S4-S6 curriculum. In S4, pupils will have the opportunity of a one week work experience placement.

In S5 & S6 students will have the opportunity to further work experience placements.

We have a full World of Work Programme which allows for individual progression at each stage for every pupil and we have built up excellent links with many businesses. Rutherglen high believes that the world of work has a very important role to play in preparing pupils for post-school life.

The World of Work Programme begins in S1 when pupils visit a place of business to learn more about the working environment. They also learn about the jobs that people in the school do and the types of skills and qualifications required to do these jobs. Pupils study this through World of Work, a core subject for all pupils. This continues in S2 when pupils visit more places of work and explore their own interests, In S3 pupils have more opportunities to visit places of work. The preparation for these visits takes place in World of Work. These visits help pupils to prepare for work experience, giving them important information about what they can expect in a workplace.

All pupils from S4-S6 have the opportunity to participate in a work experience placement. All placements are agreed upon after discussion with pupils, parents and staff and are dependent on individual pupil’s needs, abilities and interests. College placements and possible career choices are also taken into consideration when choices are being made about work experience placements.
The Work Experience programme is overseen by the HT and Developing Young Workforce Link teacher. This involves making new links with businesses and maintaining links with existing participating businesses, keeping pupils and parents informed of opportunities for placements, talking to pupils about career choices, arranging any Health & Safety checks wherever necessary and arranging the necessary paperwork. Preparation for work experience (Health & safety, dress code, career choices, etc.) takes place at allocated times throughout the year with the school’s World of Work teacher during World of Work class. During their work experience pupils keep a record of their activities through a Work Experience Diary. This provides useful feedback to school and parents about the placement and also serves as a valuable source of self-evaluation for each pupil to reflect upon both during their placement and on their return to school.

Work It Out Programme

Rutherglen High is part of South Lanarkshire Council’s ‘Work It Out’ Programme. The programme offers some of our S5 and S6 pupils the chance to find out about career opportunities in a range of industries and experience work in a live business environment. Pupils apply to be accepted onto the programme and from the application form and an interview the decision will be made as to who is suitable for the programme.

The school has a Work It Out Co-ordinator who supports and monitors each pupil on the programme into an appropriate and realistic work placement. The Work It Out Co-ordinator carries out a vocational profile with each pupil and from the vocational programme matches the pupil with a meaningful work placement. A vocational programme is a person centred plan which indicates an individuals strengths, needs and likes and dislikes.

The ‘Work It Out’ Programme has been a very successful part of Rutherglen High’s world of work programme for senior pupils. It gives pupils the skills and confidence required to go into the workplace and helps young people to become more socially included in their community. Pupils are also supported in travelling independently to work placements, although alternative transport can be provided if this is not achievable.

College

Rutherglen High has a full college programme which begins in S1 and continues through to S6. The school has strong links with a range of colleges: New College Lanarkshire (Motherwell Campus), City of Glasgow College (Riverside and John Wheatley Campus) and Glasgow Clyde College (Langside and Cardonald Campus). Rutherglen High believes that college is an integral part of a student's whole education. College provides students with important skills and qualifications that will help them in post-school life. College is also a very successful destination for many of our students when they leave Rutherglen High.

As soon as pupils begin Rutherglen High they have the opportunity to experience a flavour of college with visits to some of the colleges we work with. This allows pupils to become familiar with college life and all it has to offer from a very early stage. This continues into S2 where pupils plan their journey to college and carry out research into each college and what it has to offer. In S3 our college programme continues to progress and pupils have the opportunity to engage in some lessons at college with college staff. By the time pupils
begin their schools-link programme at college in S4 they know a great deal about college and are happy and relaxed to attend.

Most pupils from S4 – S6 have the opportunity to attend at one of the college campuses mentioned above. Programmes are dependent on individual needs, aspirations and abilities and decisions are made after discussion with pupils, parents and staff. There is careful consideration given to progression of skills and certification prior to allocation of placements. Possible future post school placements are also given consideration when advising pupils on college choices.

Management of college provision is the responsibility of the Depute Head Teacher and Principal Teacher (Supported Classes) and they are supported in this role by clerical and support staff. Parents are contacted to update on concerns or issues which arise throughout the year and Depute Head Teacher / Principal Teacher are available to discuss reports and option at Parents evenings throughout the year.

Currently we have pupils who attend Motherwell Campus, Langside Campus, Cardonald Campus, and John Wheatley Campus and Riverside Campus on Monday / Tuesday / Wednesday / Thursday and Friday placements.

Independent travel is encouraged but is not a pre-requisite of college placement and lunch is either purchased in the college canteen or packed lunch is provided.

Pupils in S5/6 who have demonstrated a responsible and mature attitude are allowed to leave Langside Campus at lunchtime – after parental permission has been given and after an initial settling in period.

**New College Lanarkshire(Motherwell Campus)**

Three college courses are offered:

Partnership Link / Supported Link / Independent Link. No certification is available but certificates are produced by the college at the end of the year. Regular update meetings take place where school staff are given feedback on progress.

**Glasgow Clyde College(Langside Campus)**

Three levels of certificated courses are available: National 2, National 3 and NPA Subjects offered include catering / construction / office skills / childcare / leisure studies / horticulture.

S4. This programme is a taster programme to introduce pupils to vocational subjects within a college setting. They are supported by a member of support staff who, in conjunction with Depute Head Teacher identify priorities for supporting individuals or class groups. The placement has been arranged for Monday mornings.

S5/S6 Courses at S6 are very focussed on meeting needs to prepare pupils for post school placements and as such are individually negotiated and arranged. Placements can vary from one to two days each week and SQA certification is available for all courses. Pupils have the opportunity to attend Langside Campus either a half day, one full day or two days each week. They are initially supported by a member of staff whose main function is to assist pupils with orientation and to be on hand to offer advice and support if required. It is anticipated that this support will be reduced as the year progresses.
Regular feedback meetings are planned for pupils who attend catering courses and opportunities to establish more formal links with other departments have been pursued for some time. This is ongoing.

**Glasgow Clyde College (Cardonald Campus)**

S5/6 attend Cardonald Campus on a Monday and Thursday morning. Pupils have a choice of course and this year have chosen Video Skills, PC Passport, Construction Skills, Drama, Planning My Future and Business Enterprise. All courses are accredited. S5/6 pupils are escorted to college, although it is anticipated that this support will lessen as the year progresses.

**City of Glasgow College (Riverside Campus)**

One S5 and one S6 pupil currently attend Riverside Campus one full day per week (Wednesday& Friday). The pupils form part of a small class of 8 pupils where the focus is Independent Living Skills.

**City of Glasgow College (John Wheatley Campus)**

One S5 pupil currently attends John Wheatley Campus one day a week (Tuesday). The pupil is in a small class and the focus is on Independent Living Skills and practical subjects such as Home Economics, ICT, Art and Drama.

**Spiritual, social, moral and cultural values (religious observance)**

**Chaplaincy Team**

We are fortunate in Rutherglen High school to have the support of Chaplains from various faith backgrounds.

**Our Chaplaincy Team:**

Rev John Sanderson (United Reformed Church, Rutherglen)
Deacon Bill MacMillan (RC - St Columkilines Church – Rutherglen
Ross Murray – Reach Out Trust
Daisy Boslem – Reach Out Trust

Our Chaplaincy are very supportive of the school and take an active role in all our assemblies and services.

We provide opportunities throughout the Church’s year for pupils who wish to participate in celebrations within the Catholic Church. We also prepare young people for the Sacraments of Communion and Confirmation and our local parishes are St. Mark’s and St. Anthony’s. We attend Mass at St. Mark’s as a faith group at various times throughout the year and have Reconciliation Services, appropriate to the needs of our young people, at Christmas and Easter.
We also have good links with Trinity High School and have joint service in November and during Lent with their S6 Caritas students. Some of our young people have also had the opportunity to visit Lourdes at Easter as part of HCPT

Parents may request that their children be permitted to be absent in order to celebrate recognised religious events. Advance notice should be provided to the school when children will be absent. Appropriate requests will be granted and the pupil noted as an authorised absentee in the register.

6 Assessment

Continuous assessment is used in First, Second and Third year. Formative assessment is used extensively. This assessment employs a range of techniques including peer observation, sharing criteria and self-evaluation. Through this teachers and pupils are able to confirm strengths and identify next steps. Assessment standards are moderated both internally and externally.

In S4 – S6 assessment continues as above for pupils undertaking National Qualifications a National Assessment forms part of the assessment criteria. Internal assessments which are set in school and moderated within the school, with Sanderson High School and Cathkin High School.
7) Reporting

We will provide parents with reports so that you can see what your child is doing and how they are progressing. In addition, there will be parents’ meetings which offer you the opportunity to discuss how your child’s progressing and how you can contact the school if you wish further information.

Our ‘pupil reports’ will help you to get to know more about the curriculum which each child follows and will describe their strengths, achievements and areas for development so you know what encouragement and support you can give.

We welcome any comments or additional information from parents to help us provide the best possible education for your child.

In addition, all pupils will have an annual review to update their Additional Support Plan / Coordinated Support Plan.

8) Transitions

_Pupils who attend Rutherglen High are involved in a supportive induction programme which can be tailored meets to meet the needs of individual pupils. Regular liaison takes place with the sending primary school and units. The Principal Teachers work closely with the sending school. We endeavour to ensure a smooth transition for pupils._

_Throughout the school year, subject teachers visit schools to get to know the pupils. In addition to the Induction programme, P7 pupils are encouraged to visit the school café, which provides them with the opportunity to become familiar with their new surroundings and to meet staff and pupils along with 3 additional induction events._

_An Open Afternoon is held for parents in February / March._

_Mr Williams and Mr Longworth visit all associated schools to talk and get to know the pupils prior to transfer to Rutherglen High._

_Our S4 & S5 pupils receive “buddying” training. On arrival at Rutherglen High, each new first year is teamed with senior pupils who will support the pupil in transition. All Primary 7 pupils attend a two day induction in June_
Pupils normally transfer from primary to secondary school between the ages of 11½ and 12½, so that they will have the opportunity to complete at least 4 years of secondary education. Arrangements are made by the school to transfer children to the associated secondary school as determined by their home address. Parents of P7 children will be informed of the transfer arrangements made for their child to attend secondary school.

We will also provide you with information at this time and on events designed to let P7 children visit the secondary school, meet up with other P7 children from other schools so that the transition period is as smooth as possible.

Normally children attend the school in their catchment area. However, there are times when parents may wish their children to go to other schools. If you wish your child to go to another school then you may make what is known as a ‘placing request’. If you live in South Lanarkshire and decide to submit a ‘placing request’, we are unable to reserve a place in your local school until the Council have made a decision on the ‘placing request’. Please note if your ‘placing request’ application is unsuccessful and all places at your catchment school are filled you will be offered a place at the next nearest appropriate South Lanarkshire School.

Please note that if an application for a ‘placing request’ is successful then school transport is not provided.

If you move outwith your catchment primary school a ‘request to remain form’ must be completed. If you move outwith your catchment primary, this may affect your right to transfer to the associated Secondary School. Please note the secondary school is determined by the pupil’s permanent home address and chosen denomination. If you require further information, please contact Education Support Services on 03031231024.
9) Support for Pupils

Getting It Right For Every Child, (GIRFEC)

Getting It Right For Every Child, (GIRFEC) is a commitment to ensure that our child has the best possible start in life and to improve outcomes for children and families based on a shared understanding of their wellbeing. Most children make their journey from birth to the world of work supported by family and the universal services of Health and Education. The Named person in education helps to make sure that the child’s wellbeing is developing. The school will let you know the named person for your child. This is likely to be the Head Teacher in a primary school and pupil support teacher in a secondary.

If you have any concerns you should speak to the Named Person who will work with you to address any issues and to ensure that your child gets any help needed at the right time.

More information can be found on: www.girfecinlarnarkshire.co.uk and www.scotlan.gov.uk/gettingitright

Reach Forward

The Reach Forward groups are an initiative within Rutherglen High School which provides a nurturing and supportive environment where our pupils can thrive. The Reach Forward groups support a significant number of our young people who have had early adverse experiences, specifically trauma. These young people can show signs of secondary traumatic stress and insecure attachment patterns have lead to a difficulty regulating emotion and therefore struggle to manage traditional classroom settings successfully.

At the core of the Reach Forward programme is the health and wellbeing of the pupils through a varied and structured programme, through which we believe that their physical and mental health can be enriched. The programme is based on the evidence now widely accepted, of Bruce Perry and the development of the brain and its optimal functioning. Bruce Perry’s particular focus in his research is children and young people who have experienced trauma and neglect.

The specific outline of the programme is:

1. 4 week blocks in which we have:-
   - Circle time – a chance for the young people to discuss particular issues that they wish to raise or a topic is picked for them to discuss.
   - A craft orientated task is undertaken - we have found that the craft materials not only allow the young people to relax, but the physical action of painting, constructing a model, making sculptures, etc allow the young people to focus and articulate their experiences.
   - A paperwork exercise – the pupils undertake a solution focused approach where they are asked a question or given a scenario where they rate their answer on a scale of 1 to 10.
• An outing – the young people are taken to a local Country Park, for instance, where they are able to go for a walk, play at the play park and socialise in the café.

2. We also work closely with other outside agencies such as SportWorX/DanceWorX, and Universal Connections. The young people have carried out such projects as:

- Training to become play leaders – the pupils learn new skills such as dances and fun games over a 6 week period and then on the last 2 weeks the young people deliver fun music and movement sessions to the campus nursery kids.
- They have conceptualised and produced their own animated film that will be premiered at a whole school assembly.
- Learned Circus skills – including juggling, plate spinning and the Diablo.
- Used the Cyber Coach system to play interactive games of skill in a fun positive environment.

We intend to strengthen our connections with these agencies with visits to the pupils local UC and learning new horticultural skills with Grass Roots. These agencies also offer progression for our pupils onto the core DanceWorX, SportWorX and Grass Roots projects which can lead to Further Education and employment.

We also have participated in residential visits to the Arran Outdoor Centre, which provides a very structured and safe environment for our pupils. The Centre staff are extremely understanding of our pupils needs and tailor their programme to accommodate these. The pupils stay in a 4 bedroom dorm and are responsible for keeping the room tidy and it is inspected every morning. They have to preselect their breakfast and dinner choices, plus are responsible for making their own healthy packed lunch. Both breakfast and dinner are served in the dinner hall where the pupils sit with the adults and have an opportunity to discuss the days events in a natural and supportive environment.

**FAIR Programme**

There is now a growing recognition of individual differences in children’s responses to stress and adversity, and emerging research findings have had the effect of shifting the emphasis toward studying of children’s coping strategies and identifying protective factors both within the child and in the interplay between the child and the environment. Resilience can be defined as normal development in spite of serious adversity.

The FAIR seeks to incorporate this emphasis through aiding the process of identifying and fostering resilience in vulnerable children and young people, particularly those who are looked after and accommodated. The FAIR will enable parents, carers, social and
education staff to identify protective factors available to the young person and to plan how best these can be mobilised in the interest of the child’s development.

GUAB

Give us a break! is an 8-week group work programme for 10-14 year olds which was developed by South Lanarkshire Council Psychological Services in collaboration with Macmillan Cancer Support and NHS Lanarkshire. We had wonderful advice throughout the development of the programme from teachers, young people, parents and carers and those who work to support young people through the challenging times of bereavement and loss. We are indebted to a wide range of colleagues.

The programme gives young people a chance to make sense of these experiences in a supportive environment with others who have gone through similar changes and also helps to build a deeper understanding in adults about just what young people go through following on from bereavement and loss.

Support for All (Additional Support Needs)

In keeping with duties set out in the Education (Additional Support for Learning) (Scotland) Act 2004 (as amended) the guidance states that handbooks should specifically mention Enquire, the Scottish advice service for additional support for learning.

Enquire is funded by the Scottish Government to provide information on the framework for supporting children who require additional support for learning and to encourage positive partnerships between families, schools and local authorities to ensure children get the right support.

Enquire – the Scottish advice service for additional support for learning

Enquire offers independent, confidential advice and information on additional support for learning through:

Telephone Helpline: 0845 123 2303

Email Enquiry service: info@enquire.org.uk

Advice and information is also available at www.enquire.org.uk

Enquire provides a range of clear and easy-to-read guides and fact sheets including The parents’ guide to additional support for learning.

If you would like to order our leaflets, postcards or guides to share with parents and carers of pupils in your school, please contact us on info@enquire.org.uk
10) School Improvement

2015/2016

Priority 1

To improve achievement and attainment

- Tracking system (S4-S6) has been introduced to monitor attainment across all subject areas
- Targets show progression from previous target and where appropriate reflect recommendations from SLC Severe and Profound Framework
- All staff attended TEACCH training which has led to staff having a better understanding of autism
- Literacy initiative implemented to nurture group with positive impact in literacy.

Priority 2

To implement key aspects of Curriculum for Excellence

- National Qualifications were developed in most subject areas at National 1, 2 and 3
- Pupils were presented for Personal Achievement Awards and Personal Development Awards at level 1 & 2
- SQA verification took place in a range of subjects at National 1, 2 and 3
- Moderation events took place with Sanderson High and Cathkin High
- Interdisciplinary projects and Skills for Learning, Life and Work were timetabled as discrete subjects. This offered personalisation and choice within S1 –S3 curriculum.

Priority 3

To progress the recommendations of Getting It Right for Every Child

- The management team have undertaken Seemis training
- School achieved Bronze Level of Enhanced Visual School Award

Priority 6

To progress the key themes of self-evaluation and leadership

- Leadership has continued to be developed at all levels
- Management team are more systematic in self-evaluation
- Staff are using SLC guidelines to prepare for PDR and are aware of the revised GTC standard.
Priorities for 2016 / 17

- To continue to develop systems to record attainment and achievement
- To develop effective systems to monitor and track progress within BGE (S1-S3)
- To continue to improve literacy
- To continue to improve numeracy
- To further develop National Qualifications
- To continue to develop autism provision
- To review Health & Well Being
- To continue to develop DYW initiative
- To continue to develop a structured and systematic system for self evaluation
11) School policies and practical information

Mobile Phone Policy

We are committed to providing a caring, friendly and safe environment for all our students and believe that modern technology in the form of mobile phones, when used appropriately offers young people/carers peace of mind, particularly when travelling to and from school. We are also clear that when phones are used inappropriately, they distract from our core business of learning, and at the worst can be used as a tool for bullying.

- Pupils are allowed to bring mobile phones into school.
- If mobile phones are brought to school it is entirely at the owner’s risk. The school accepts no responsibility for replacing lost, stolen or damaged mobile phones/electronic devices.
- Parents are advised that in cases of emergency the school office is the point of contact to ensure that information is communicated quickly and in an appropriate way.
- Mobile phones/electronic devices should be handed into the school office at the start of the school day and collected at the end of the school day.

Free School Meals

Children of parents who receive the following benefits are entitled to a free lunchtime meal for their child

- Income Support, Income-based Job Seeker’s Allowance, Employment and Support Allowance (income related), Working Tax Credit and Child Tax Credit(where your income does not exceed £6,420 gross per annum as assessed by the HM Revenues & Customs), Child Tax Credit only (where your income does not exceed £16,190 gross per annum as assessed by the HM Revenues & Customs).

We would encourage parents of children who are in receipt of any of the above benefits to take up this opportunity of having a meal provided for their child when they are at school. Arrangements are in place so that children who receive free meals are not singled out and we encourage all children to remain in school at lunch time.

Healthy eating is something that the school supports and a range of meals are available at lunchtimes. We also encourage all children remain in school at lunchtimes.
Education Maintenance Allowance

Forms are available from South Lanarkshire Council website or local Q&A [www.southlanarkshire.gov.uk](http://www.southlanarkshire.gov.uk)

School uniform

We ask all parents/carers to support the school by encouraging your child(ren) to adhere to the agreed dress code and the wearing of our school uniform. The wearing of a school uniform helps promote the identity of the school in the local community and helps create an ethos of sharing and pride in the school.

In addition, the wearing of a uniform helps towards increasing the protection of all pupils. The wearing of a uniform helps staff and the pupils to distinguish between who belongs to the school and those who may be visitors. This enables staff to approach and identify visitors more readily and helps in trying to offer a safer environment for pupils and teachers alike.

Equality of opportunity is an important aspect of the life of the school. Any proposals on the dress code and on what constitutes the school uniform will be the subject of discussion with the Parent Council and where appropriate consultation with parents, pupils and staff.

There are forms of dress which are unacceptable in all schools such as:

- the wearing of football colours
- clothing with slogans that may cause offence (anti-religious, symbolism or political slogans)
- clothing which advertises alcohol, tobacco or drugs
- clothing which can be deemed unsuitable in terms of health and safety grounds such as shell suits, combat style clothing, dangling earrings, loose fitting clothes particularly in practical classes
- articles of clothing that could be deemed to inflict damage on other pupils or be used by others to do so
- footwear that may damage flooring.

The uniform for all Rutherglen High pupils is:

- White shirt with school tie
- White school polo shirt
- School sweatshirt
- Black jumper / cardigan
- Black trousers / skirt

Order forms are available from the school office.
Support for parent/carers

Clothing grant
In certain circumstances the Council provides support to parents/carers for the purchase of school wear.

Applications can be made online at www.southlanarkshire.gov.uk. If you are required to submit evidence of your Tax Credit income it is important that a copy of this evidence is attached to your online application. Should you require further information or you are unable to submit an application on line then please contact the helpline number: 0303 123 1011

School Holidays 2016 / 2017

August 2016

Teachers return on Thursday 11 August 2016

In-service day - all schools

Thursday 11 and Friday 12 August 2016

Pupils return on Monday 15 August 2016

September 2016

September Weekend

Pupils return on Tuesday 27 September 2016

October 2016

October break

Monday 17 to Friday 21 October 2016

November 2016

In-service day - all schools

Monday 21 November 2016
December 2016 and January 2017

Christmas/New Year
- Schools close at 2.30pm on Thursday 22 December 2016
- Schools re-open on Monday 9 January 2017

February 2017

February break
- Monday 13 and Tuesday 14 February 2017
In-service day - all schools
- Wednesday 15 February 2017

March/April 2017

Spring break/Easter
- Schools close at 2.30pm on Friday 31 March 2017*
- Schools re-open on Tuesday 18 April 2017

May 2017

May Day
- Monday 1 May 2017
In-service day - all schools
- Thursday 4 May 2017
Local holiday
- Friday 26 and Monday 29 May 2017**

June 2017

Summer Break
- Schools close at 1pm on Tuesday 27 June 2017
Transport

School transport

South Lanarkshire Council has a policy of providing school transport to Secondary pupils who live more than two miles by the recognised shortest walking route from their catchment school. This policy is more generous than the law requires. This means that the provision of transport could be reviewed at any time. Parents who consider they are eligible should obtain an application form from the school or Education Resources, Hamilton, telephone 01698 454102 or web www.southlanarkshire.gov.uk. These forms should be completed and returned before the end of March for those pupils starting the school in August to enable the appropriate arrangements to be made. Applications may be submitted at any time throughout the year and will be considered by Education Resources.

A paid privilege transport scheme is operated for mainstream school contracts where a pupil is not entitled to free school transport. Privilege transport will only be granted providing there is spare capacity on an existing school contract and will be from and to designated pick up and drop off points. Privilege transport will not be provided where a service bus is used on the school run. Any spare capacity will be allocated using agreed priorities. For more information on school transport contact Education Resources telephone 01698 454102.

(ii) Pick-up points

Where school transport is provided it may be necessary for pupils to walk a certain distance to the vehicle pick-up point. Walking distance in total, including the distance from home to the pick-up point and from the drop-off point to the school in any one direction, will not exceed the authority’s distance limit for school transport.

It should be noted that it is the parent’s responsibility to ensure their child behaves in a safe and acceptable manner while travelling in and alighting from the vehicle. Misbehaviour can result in your child losing the right to school transport.

Parents are asked to note that South Lanarkshire Council does not provide transport for those pupils who attend school via a placing request. Where there is a request to place a child under school age in a school within the local catchment area they may receive transport in line with the Council’s transport policy.

Any information on transport appropriate to the school should be mentioned.
Insurance for schools – pupils’ personal effects

South Lanarkshire Council is concerned at the level of claims being received for loss or damage to pupils’ clothing or personal effects. Parents are asked to note the Council’s position in terms of insurance for pupils’ personal effects:

(i) Theft/loss of personal effects

The Council is not liable for the loss or theft of pupils’ clothing or personal effects for example mobile phones, tablets, etc and any items are therefore brought into the school at the pupil/parents’ own risk.

Parents can assist by ensuring that valuable items and unnecessarily expensive items of clothing are not brought to school.

Teachers and other staff have been advised not to accept custody of any such items.

The same principle applies to musical instruments and other equipment used for activities within the school, which belong to the pupil, but are brought into the school. Parents should be aware that if such equipment is left in school, it is done at the pupil/parents’ own risk.

In the case of valuable items such as musical instruments, parents should ensure that these items are covered by their own household insurance.

(ii) Damage to clothing

The Council is only liable for damage caused to pupils’ clothing where the damage has resulted from the negligence of the Council or one of its employees. Claims arising otherwise will not be accepted by the Council’s insurers.

Family holidays during term time

Family holidays should be avoided during term time as this both disrupts the child’s education and reduces learning time. If holidays are taken during times when the school is open parents should inform the school in advance by letter.

If your child is taken on a family holiday during term time then in line with Scottish Government advice this will be classified as an unauthorised absence. However, in exceptional circumstances schools may register a family holiday during term time as an authorised absence when for example, parents are unable to obtain leave during the school holiday period.

Clearly, absence with no explanation from parents will mean that the absence will be recorded as unauthorised.

In our approach to raising attainment and achievement it is recognised that attendance at school is something that should be continuously encouraged. Parents/carers, children and the school all have a part to play in encouraging and stressing the importance of attendance at school.

The school holiday dates and in-service dates are available from the website www.southlanarkshire.gov.uk
**Promoting positive behaviour**

It is the responsibility of staff within the school to ensure that parent council members, parents and pupils are involved in the creation of a positive school ethos that encourages good behaviour. Equally, the school whilst trying to promote positive behaviour must support young people should incidents or bullying occur. Parents have a significant role to play in working with the school so that teachers, parents and pupils know what is expected of them in trying to change the behaviour and attitudes that contribute to bullying behaviour.

Our approach is to create an environment where better behaviour will encourage better learning. The school, along with the support of parents, can work together to create a learning environment which young people can enjoy and feel safe.

Incidents of bullying should be reported to the school immediately so that each alleged incident can be looked at. Together we can work towards creating a safer school for children and staff.

In addition, a guideline Promoting Positive Relationships and Behaviour) has been produced to support all teaching and support staff and inform them of their roles and responsibilities in respect of dealing with the small number of children and young people who display challenging behaviour. Early identification is crucial so that intervention can be provided to support children and young people to help them address their issues and concerns. Staff training is provided to help develop the skills needed to respond to and manage challenging behaviour. A wide range of appropriate staff development opportunities has been developed for this purpose.

**Child Protection**

The shared vision for Lanarkshire’s children is: “all children and young people in Lanarkshire have the right to be cared for and protected from abuse and harm in a safe environment in which their rights are respected.” All agencies will work together in a collaborative way to promote the safety and wellbeing of children and young people in Lanarkshire.

The Chief Officers and Child Protection Committees of North and South Lanarkshire Council’s are the driving force for ensuring that agencies individually and collectively work to protect children and young people as effectively as possible.

The Council has a duty in law to report suspicions that a child has been abused or is at risk of harm, in terms of the Children (Scotland) Act 1995. Therefore, Council staff have a professional and contractual obligation to report concerns to the head of establishment or the child protection coordinator immediately.

Education Resources staff and visitors from other agencies and services are required to follow these Child Protection Procedures to protect and support children and to fulfil their professional obligations to report all allegations or suspicions of child abuse.
For more information, or if you have a concern of a child protection nature, please contact the head of the educational establishment which your child attends.

The Council has produced an information leaflet – ‘stay safe’ for parents/carers on how to help ensure their child is safe when using the internet and mobile devices. Copies are available from the school or the web: www.southlanarkshire.gov.uk

Information on emergencies

We make every effort to ensure the school remains open during term-time for pupils. However, on occasions circumstances may arise which can affect the school. Schools may be affected by, for example, severe weather, power failures or through any other circumstances that may impact on the school day. In such cases we shall do all we can to let you know if this happens. We shall keep you in touch by telephone, text, where appropriate, letters, web news and through local radio stations particularly if there are prolonged periods of severe weather. The Council’s website www.southlanarkshire.gov.uk will be used to let you know if the school is closed and when it will re-open.

It is important for parents/carers to let the school know of any change to your mobile/home telephone number and change of address.

If for any reason, you are unsure if the school is open, visit the website www.southlanarkshire.gov.uk or email us at: education@southlanarkshire.gov.uk

Your commitments

We ask that you:

- support and encourage your child’s learning
- respect and adhere to the schools policies and guidance
- let the school know if you change your mobile/telephone number and/or address
- enjoy and take part in school activities
- accept your responsibility to respect staff who work in the school and for the school to be proactive in taking forward it’s commitment to care for and educate your child.

Data Protection Act 1998

Information on pupils, parents and guardians is held by the school to enable the teaching, registration and assessment of pupils as well as associated administrative duties. The information is stored and used as per the requirements of the Data Protection Act 1998 with South Lanarkshire Council defined as the data controller. The Council have established a data protection policy that applies to all of its schools. For more information please contact the school.
