**Education Scotland Inspection Letter - Sep 2024**

Dear Parent / Carer,

The school was inspected last year by Education Scotland, and they have now published their report. This is available on the Education Scotland website.

Please scan the QR Code below which will guide you to the Parent / Carer letter, Summarised Inspection Findings and additional evidence.

I have also attached a copy of the parent / carer letter.

The inspection highlights key areas of strength and development for our school and will be a key driver for our updated School Improvement Plan for the next three years.

Lead inspectors, involved in the inspection, also visited the school on the 5<sup>th</sup> September to ensure Senior leaders and I had a very clear understanding of the urgent and essential school priorities highlighted. At this meeting, Inspectors were confident that work was already underway to address and support these.

It is also important to stress that Education Scotland will return to the school within a year to carry out a follow up inspection'

I have attached to this letter a copy of their Parent / Carer letter.

As always, please don't hesitate to contact the school using the details above, if you have any questions, queries or concerns.

Yours faithfully

Richard Millar  
Head Teacher
